Rides

We really were fortunate to have such a mild day for our November ride. The attendance for the ride was fifteen (15) bikes. Everyone enjoyed the excellent roads, which brought us to Lakawaxen, PA and was highlighted by a tour of the Zane Grey House. This ride was organized by Bob Moore and was most appreciated. Thanks Bob for a nice job! This would be a nice annual ride.

Meeting Highlights

December Meeting review:

We were fortunate to have a BMW rep address the club with everything from the future models to the up and coming riding gear.
