## Rides

Our April 17th ride to Bear Mt. was led by Drew (Kenny Roberts) Gibbon. The group included Dave Unangst, Bill Koptis, Ed Jankowsky with passenger Joan, Tony Loria, Bob Hoffman, Max Monaco, Doug Ochwat, and Gloria Fidler. Dave Cushing showed up for breakfast on the new R1100GS. The roads leading to Bear Mt. were a lot of fun. The rain held off although it threatened throughout the day. The view was great from the top of the mountain including the NY skyline. One of the final treats of the day was a welcome from the Warwick, NY Police, who stopped our bikes to check inspection tags. They sure must be a busy bunch.

April 24th Ride led by Dave "100,000 Mile Man" Unangst, and attended by Tony "The Pez" Loria, Eddy "Headlight" Jankowsky, Doug "Mr. RS" Ochwat, Max "The Phone Man" Monaco, and "The Brothers" Dick & Al. The ride took us through 200 miles of very beautiful areas of PA. *Thanks Dave for a nice tour of Eastern PA.*
