Overnight Ride

Our ride to Wellsboro, PA was a nice time and cool riding. We had 8 bikes/ 14 people on the ride. Everyone enjoyed some great roads, camaraderie, and good food as usual. Thanks to Tom, Eddy and Doug for their efforts on this trip. Doug planned some good routes and the riding was great.

BMW's Miracle Ride

Skylanders ride on October 1st -

BMW Ride for Crohn's & Colitis; What a great day for this ride. We had about 13 club members who attended the BMW Miracle Ride. A 60 mile motorcycle tour, with the final stop at BMW's Headquarters. What a well organized event with good food, music, and plenty of prizes. We raise over \$1700 for CCFA and plan on a bigger and better turn-out next year. Total attendance was 406 raising over \$20,000.

"The Baroque Angel"

The New R1100RT

All the initial reviews have been very positive on this New Tourer. Several members have already test ridden the bike and are really impressed. The real problem is what color to choose. The bike magazines have also been reviewing and even Cycle World liked it. *The RT is powered by the same 1085 cc, eight valve opposed-twin found on the RS, GS and R models. Telelever and Paralever technology has been continued on this German New Comer.*

This ain't your fathers RT!
