### Special Meeting - Next Tuesday

There will be business meeting of the Skylands BMW Riders held on Tuesday, 24 September 96 at the Park Chester Diner on Rt 206 in Chester (just south of Rt 24). Meeting time will be 7PM.

The purpose of this meeting is to discuss our ideas for the future, our lessons learned from the past and any other issues which you may feel germane to the actual business side of putting together our club and its activities.

If you have feelings about things the club does well or things that the club does poorly, I urge you to attend this meeting and make your feelings known. We will be having a completely new slate of officers on board in January, and the more they know about what YOU, the members, want, the better they can help you make it happen!

I hope to see you on the 24th!

President
